Subject: Delta Shipyards Conf Call 5/3/12
Date: 05/03/2012 01:24 PM

Per our conference call today, Weston will follow up with the action items listed below.

David Bordelon and Jeff Wright to:

- Contact Janine Latham to ensure that the Region 6 RSL and LA RECAP Standards are uploaded into Flex View (to be completed by 5/11)
- Begin reviewing disposal technologies and associated costs (including In-situ solidification)
 - o To include some RECAP assumptions and Input from Weston's David Miller
 - o Review Louisiana's in-situ solidification requirements
 - o Contact LDEQ John Hawke to verify state land disposal restrictions
- Identify data gaps in existing data

Michelle Brown to:

- Begin compiling Sampling Strategy for Site Assessment and HRS Scoring (Due approx. 6/1)

Once sampling strategy has been identified, EPA and Weston will review to determine if additional site characterization or extent of contamination samples are required.
